

# 7006 HYDRO S

<b>DESCRIPTION</b>	Impregnating protective and water-repellent solvent-based
<b>SPECIFICATIONS</b>	Film coating agent designed for the hydrophobization of all building materials. The protective layer provides effective protection of the surfaces against heavy rain and the accumulation of aggressive pollutants. Suitable for natural and artificial facing stone, terracotta, exposed brick, cement and cement agglomerates, clinker, porcelain stoneware, non-glossy marble.. Ideal for low porosity surfaces.
<b>HOW TO USE AND DOSING</b>	Product ready for use. Apply the product to a clean, dry surface with a brush or low-pressure lance. Remove any residues with a clean cloth.
<b>SPECIFICATION</b>	Appearance: transparent colourless liquid  Specific weight [g/ml]: 0,815 +/- 0,010
<b>USE AND COMPATIBILITY</b>	Suitable for natural and artificial facing stone, terracotta, exposed brick, cement and cement agglomerates, clinker, porcelain stoneware, non-glossy marble. Caution: try on a small hidden part to check for colour changes. Do not apply the product if rain is forecast.
<b>USE &amp; STORAGE PRECAUTIONS</b>	Store in original containers. Avoid extreme temperatures. See the safety data sheet for more information on use and disposal.
<b>CHEMICAL COMPOSITION</b>	See the safety data sheet for more information on the product's ingredients
<b>WARNINGS</b>	FOR PROFESSIONAL USE ONLY. The information contained in this Technical Data Sheet, recommendations for use and applications of the product are based on our knowledge and on the tests carried out on the product as of the date of this document. The product may have different applications and operating conditions may vary depending on materials and environmental conditions we are not aware of. Italchimica cannot therefore be held liable for the suitability of the product and the results for your processes, as it does not know the details of your conditions of use. We recommend carrying out small scale tests to confirm suitability. The Company shall not be held liable for incorrect use of its products. Our technical service is at your service to identify the optimal conditions of use for the products.
