

7007

ACID SP

DESCRIPTION	Acid-based hydrochloric descaling detergent for heavy-duty dirt.
SPECIFICATIONS	Effectively removes inorganic encrustations such as: limestone deposits, saltpetre efflorescence, cement, plaster, rust. Excellent to thoroughly clean floors with first-pattern laying. Ideal on outdoor floors.
HOW TO USE AND DOSING	Product can be diluted at various levels. Dilute according to recommended doses. Apply product on surface to be cleaned with a brush, a sponger or a sprayer. Leave product to act for a few minutes. Rinse with a pressure washer or manually with wet brushes. To thoroughly clean construction sites and remove heavy dirt: dilute the product with water in a ratio of 1:3 or 1:4. To eliminate saltpetre efflorescence and clean glass ceramic surfaces: dilute the product with water in a ratio of 1:6 or 1:8.
SPECIFICATION	Appearance: Transparent red liquid pH: 0,5 +/- 0,5 Specific weight [g/ml]: 1.100 +/- 0.020
USE AND COMPATIBILITY	Terracotta, clinker, porcelain stoneware, glazed ceramic, glass mosaic, acid-resistant stone. Do not use on wood and materials sensitive to acids. Immediately remove splashes of solution from acid-sensitive surfaces and rinse thoroughly with water.
USE & STORAGE PRECAUTIONS	See the safety data sheet for more information on the product's ingredients
CHEMICAL COMPOSITION	See the safety data sheet for more information on the product's ingredients
WARNINGS	FOR PROFESSIONAL USE ONLY. The information contained in this Technical Data Sheet, recommendations for use and applications of the product are based on our knowledge and on the tests carried out on the product as of the date of this document. The product may have different applications and operating conditions may vary depending on materials and environmental conditions we are not aware of. Italchimica cannot therefore be held liable for the suitability of the product and the results for your processes, as it does not know the details of your conditions of use. We recommend carrying out small scale tests to confirm suitability. The Company shall not be held liable for incorrect use of its products. Our technical service is at your service to identify the optimal conditions of use for the products.
